Lily is a lovely 5 year old white and brindle female greyhound and has just recently come into the rescue. She is a dog that is full of bounce and loves to play. Any one who is interested in Lily will certainly have lots of fun with her. She would suit a family that can spend time with her and play games. She loves people and other male greyhounds, but she would not be suitable with a family that owns a cat. Lily is a fun loving dog that will give her owner a tremendous amount of pleasure.
