

KIZZY

Hi,I am Kizzy's mum, we got her on the 28th of July. We went all the way from Bolton too near York with a broken exhaust pipe to pick her up.

She's a 6 year old ex-racing greyhound and a very quick learner. We already have another Rescue dog called Puddle and they get on great together, he loves Kizzy and follows her everywhere. She is a very friendly greyhound and her pal walks underneath her!!

Thank you Greyhound Rescue for letting us have Kizzy, she has put new life into my old man Puddle.
